## FAIRY WAND BOLTS AND LOSES STAKE

**Darts to Outer Rail While  
Leading Her Field in Man-  
hattan Handicap**

Fairy Wand, the speedy but ill tem-

ran probably is the unluckiest thoroughbred in training. While leading her field by several lengths in the Manhattan Handicap at Belmont Park yesterday afternoon she "ran out" and lost so

was finish third behind Joseph E. Widener's *Naturalist* and S. C. Hildreth's

Fairy Wand was much the best in the race, and if it were not for her desire to race along the outer rail she would have scored an easy victory. During the last month this fleet footed miss has lost half a dozen races she should have won.

In her first start at Saratoga she was practically left at the post with Georgie Wallis in the saddle and finished a bang up third. A few days later Frankie Robinson punished her so severely with the whip that she refused to do her best and finished third when she should have won.

The next day with Willie Midgley, Jr., on her back she came back and ran a fine race, but tired near the judges and was beaten a scant margin for premier honors. The following week young Midgley rode her to victory, but in her last start at the Spa she was knocked out of her stride at the head of the stretch by Ticket and was badly

Last Thursday she led home a field of high class horses at Belmont Park, but during the race she bolted to the outside and was out of the race.

Yesterday she got away from the barrier next to last, but in the run down the backstretch showed tremendous speed and rounding the bend took command. She was full of running and sped along at terrific speed until she was in the home field. When she reached the turn into the homestretch she darted over to the outer rail. This cost her at least a dozen lengths.

When straightened again she ran much faster than any of her opponents, but the ground she lost was too much for her to overcome, and at the end of the

Journey she was four lengths behind Naturalist, the victor, and a head behind Sun Flash.

The Ronkonkoma Handicap for juveniles at six furlongs went to Robert L. Gerry's bay colt Balustrade. He came with a rush in the final furlong and won by a length and a half. Richard T. Wilson Jr.'s Thistleton finished second and J. W. May's Flyaway was third.
